T5 The two strongest T cells per section, with cell polygons (fill = cell class) and T-cell transcripts

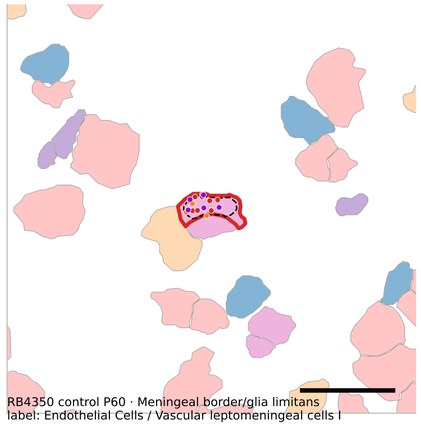

RB4620 control P21 · Hypothalamus
label: Endothelial Cells / Vascular endothelial cells I

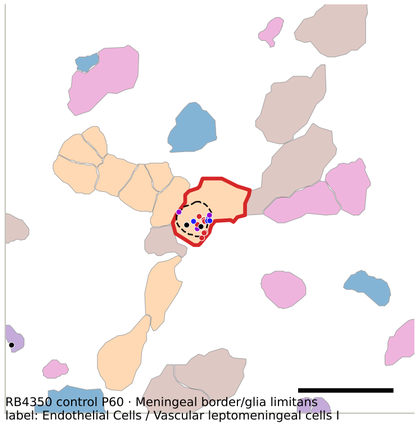

RB4620 control P21 · Striatum
label: Endothelial Cells / Pericytes I

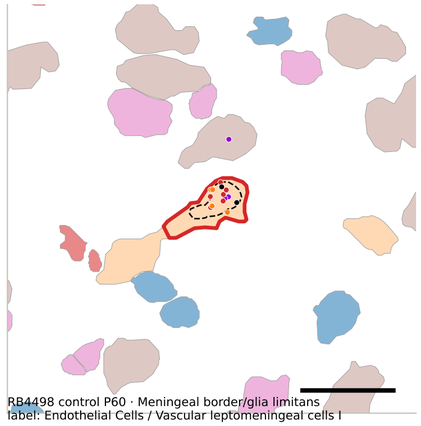

RB4658 control P21 · Striatum
label: Oligodendrocytes / Mature oligodendrocytes V

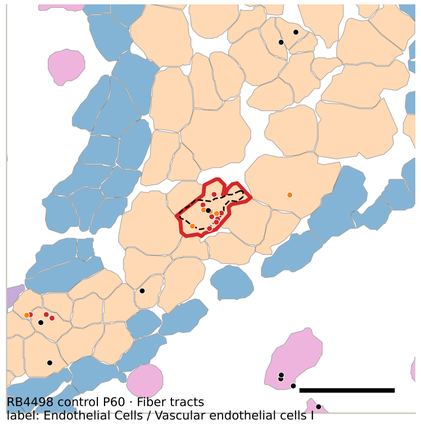

RB4658 control P21 · Thalamus
label: Endothelial Cells / Vascular endothelial cells I

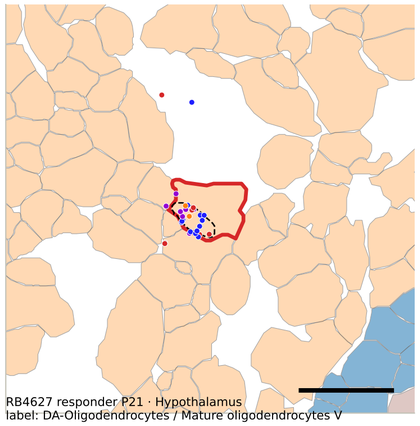

RB4676 control P21 · Hypothalamus
label: Endothelial Cells / Vascular endothelial cells I

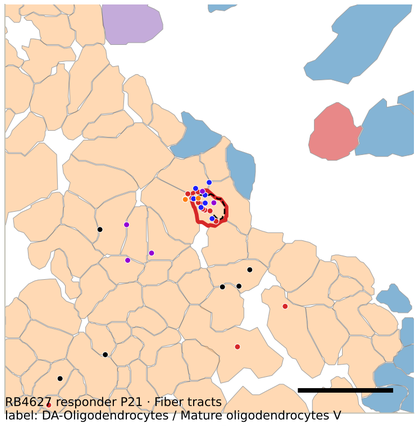

RB4676 control P21 · Ventricular system
label: Endothelial Cells / Endothelial cells I

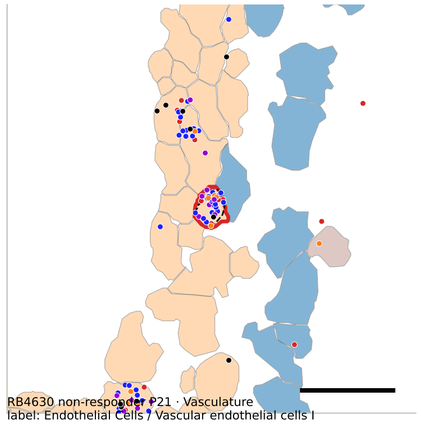

RB4282 control P60 · Ventricular system
label: Endothelial Cells / Chorid plexus epithelial cells I

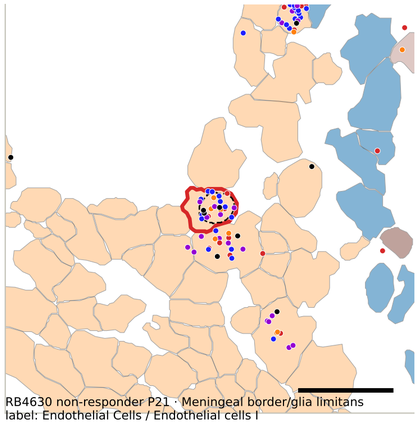

RB4282 control P60 · Ventricular system
label: Endothelial Cells / Endothelial cells I

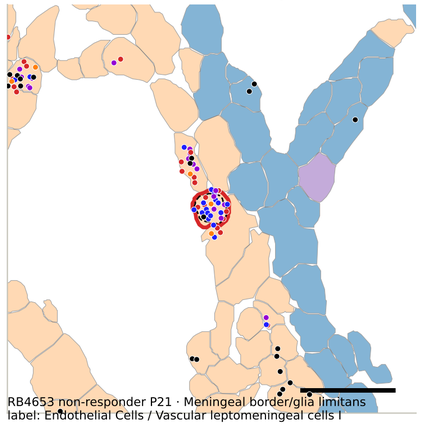

RB4350 control P60 · Meningeal border/glia limitans
label: Endothelial Cells / Vascular leptomeningeal cells I

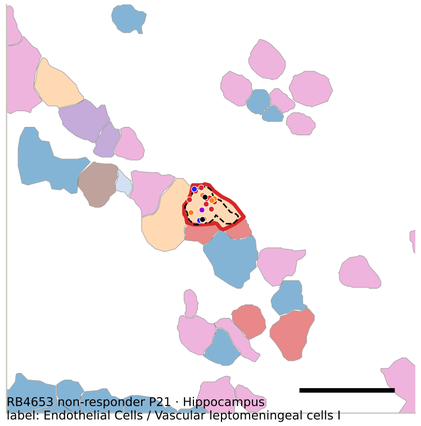

RB4350 control P60 · Meningeal border/glia limitans
label: Endothelial Cells / Vascular leptomeningeal cells I

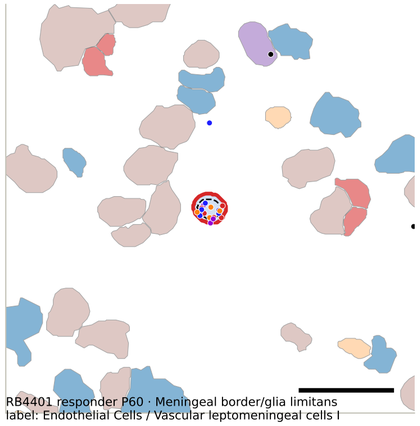

RB4498 control P60 · Meningeal border/glia limitans
label: Endothelial Cells / Vascular leptomeningeal cells I

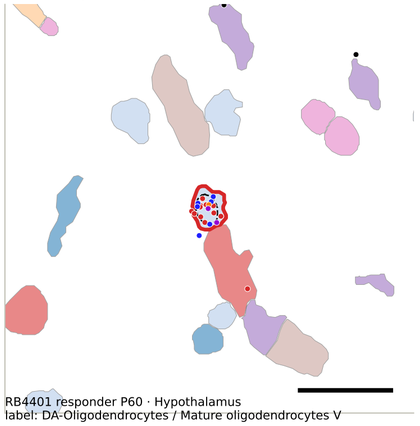

RB4498 control P60 · Fiber tracts
label: Endothelial Cells / Vascular endothelial cells I

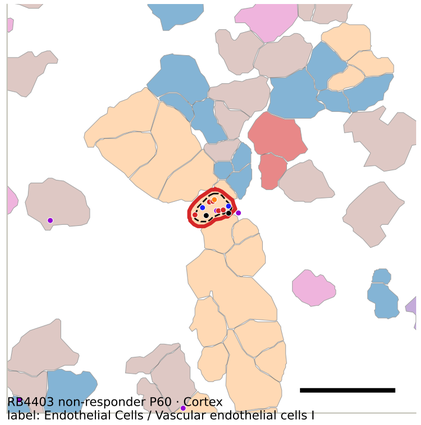

RB4627 responder P21 · Hypothalamus
label: DA-Oligodendrocytes / Mature oligodendrocytes V

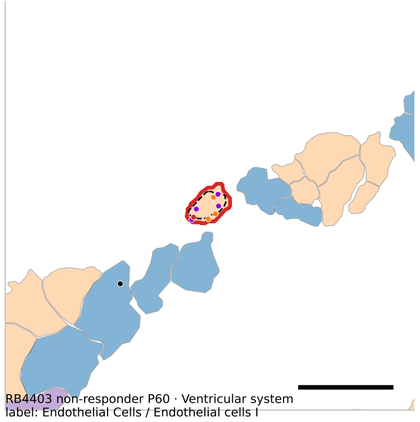

RB4627 responder P21 · Fiber tracts
label: DA-Oligodendrocytes / Mature oligodendrocytes V

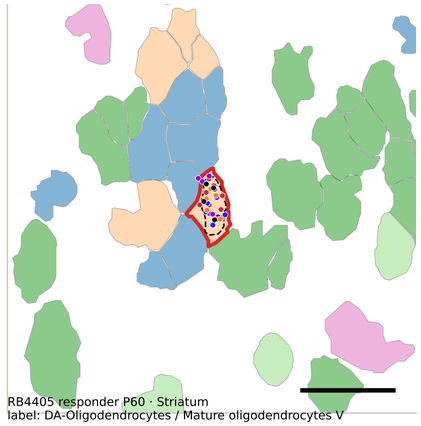

RB4630 non-responder P21 · Vasculature
label: Endothelial Cells / Vascular endothelial cells I

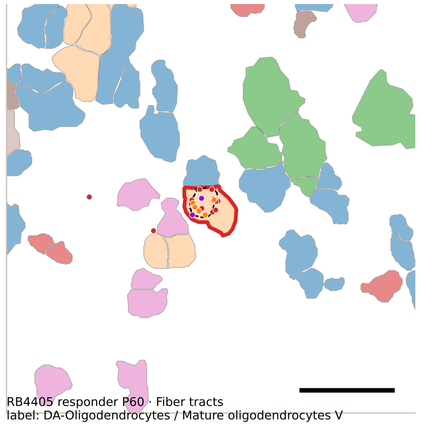

RB4630 non-responder P21 · Meningeal border/glia limitans
label: Endothelial Cells / Endothelial cells I

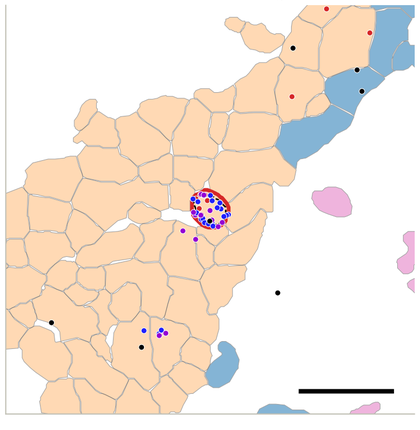

RB4653 non-responder P21 · Meningeal border/glia limitans
label: Endothelial Cells / Vascular leptomeningeal cells I

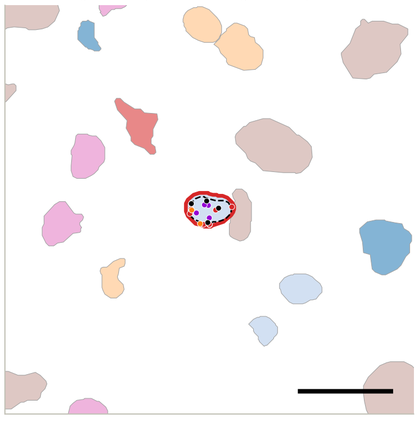

RB4653 non-responder P21 · Hippocampus
label: Endothelial Cells / Vascular leptomeningeal cells I

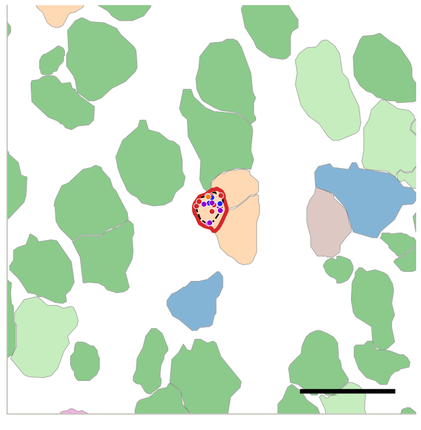

RB4401 responder P60 · Meningeal border/glia limitans
label: Endothelial Cells / Vascular leptomeningeal cells I

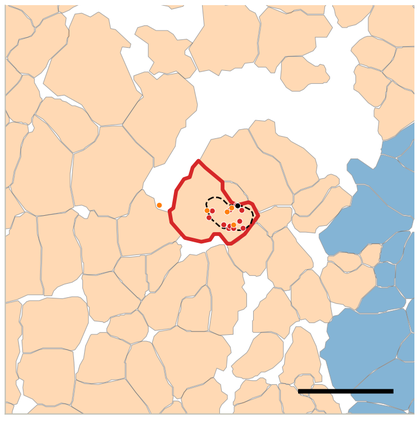

RB4401 responder P60 · Hypothalamus
label: DA-Oligodendrocytes / Mature oligodendrocytes V

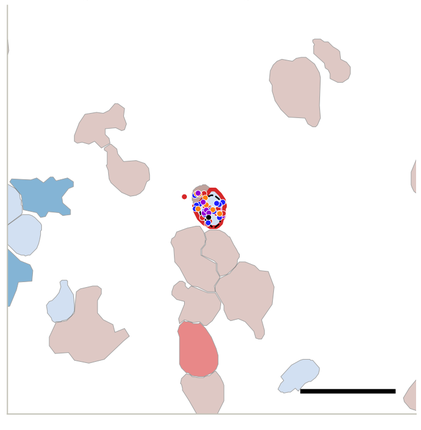

RB4403 non-responder P60 · Cortex
label: Endothelial Cells / Vascular endothelial cells I

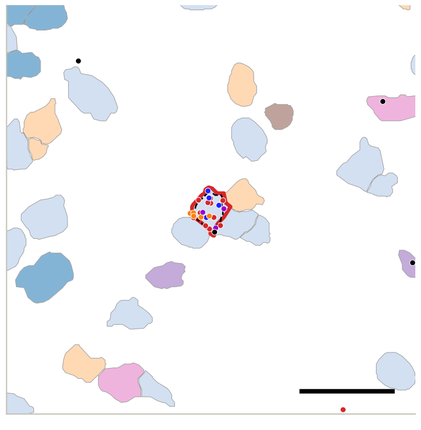

RB4403 non-responder P60 · Ventricular system
label: Endothelial Cells / Endothelial cells I

RB4405 responder P60 · Striatum
label: DA-Oligodendrocytes / Mature oligodendrocytes V

RB4405 responder P60 · Fiber tracts
label: DA-Oligodendrocytes / Mature oligodendrocytes V
